W. F. Shippann. the town ball at Hyde Park to replace Caucus will be held in East Barre in opera house half Friday evening, July 1, at 7:30 o'clock, for the purpose of electing eight delegates and eight alternates for the county convention, to be held in 150. There are ample stage accommodations fitted with drop current and also accommodations. Montpelier Saturday, July 18, 1910, for tions, fitted with drop curtain and electhe purpose of nominating the county tric lighting facilities, and very accessiofficers. Per order the Republican town ble waiting rooms, fitted with toilets The basement contains the hot-air heat ing apparatus, and the ventilation will be by a mechanical system. The plans and specifications have been prepared by architect C. H. Crandall of Burlington, who will supervise the work, which will begin at once.

> Vermont Airship Will Be Tried Out Soon Vermont's daring sky traveler, C. C. Bonette, has decided to forego the parabute and will take to the airship. He has constructed a new flying machine at his home in Passumpsie and has the new flyer ready to try out. He has been

busy all winter in its construction, and he has made a thorough study of every inch of it.

The engine arrived Tuesday forencon and has been put in position. The machine has been put in position. The machine has been taken to a tevel field between Passumpsic and East Barnet, where it will be given its first trials in tween Passumpsic and East Barnet, where it will be given its first trials in

where it will be given its first trials in the air soon.

The engine was made at Easton, Pa, especially for this machine. It is of our cylinders and weighs, complete, only 140 pounds, but is expected to develop 25 or 30 horsepower. It is made of the best material and attaches directly to the complete shaft. The propollers are all.

Hay and crops, all for \$1800, one half cash, we in Site of a cash. Some fruit. Will keep two cows and a horse. Good basement harn 0x 40; good one and cash half story house containing seven rooms. Running water at house and barn. One-fourth nile to school, four miles to station, six made of the best on the bargain counter.

Some fruit. Will keep two cows and a horse. Good basement harn 0x 40; good one and to school, four miles to station, six made of the best of the bargain counter.

Some fruit. Will keep two cows and a horse. Good basement harn 0x 40; good one and to be hard to school, four miles to station, six made of the best of the bargain counter.

Some fruit. Will keep two cows and a horse. Good basement harn 0x 40; good one and the station of the bargain counter and the counter of th propeller shaft. The propellers are 615 if the feet long and the whole machine, with Mr. Bonette in the driver's seat, weights only 600-pounds.

No. 182 For sale or exchange for a farm: Six-room bouse, barn and extra lot, well located in Farre city. If you have a small farm you wish to exchange for city property, we can match only 600-pounds. only 600 pounds.

The president of the Canadian Airship ssociation visited Mr. Bonette's last week and, after giving the new machine bath a thorough examination, pronounced it weight the best modeled airship he had seen in all his travels and predicted great succeptions.

you with this.

No. 123. For sale. Owner's business calls him to another state, and will sacrifice on this beautiful house. New seven-room cortage with bath, furnace heat, electric lights, hardword finish, hot and cold water, nice communed ceilar, weighted windows. Only one rainute to electric car fine and ten minutes to center of city. Occupied by owner and must be sold. Let us show you the property. Just listed.

No. 124. A brand-new one. Two acres of land. Mr. Bonette has no doubt of the success of his invention and as soon as he demonstrates its ability as an air travelength of the bar oler he has a busy engagement season Nothing so helpful and nourishing this airship "Vermont No. I," and is sure it is as good as any of the record-making sensations this season.

to please most anyone's taste-Haddock, BUILDING AIRSHIP IN RUTLAND. Machine Is Nearly Completed, Being Built by Young Men,

Rutiand, July 1. George Schmidt and Charles Schmidt of Royce street are building an airship. Operations were begun several months ago, but the secret has been confined to a very small ircle of friends until now, when the

machine is nearing completion.

The undertaking is the of the complete of the shown in scientific matters. They have studied aeronauties very diligently and thoroughly, and the construction of a flyer is a practical method of study. It was about the time that Bieriot crossed the English channel in a monoplane, a year ago, that their attention was deficitely called to the problem of aerial

navigation. The young men are at work on a biplane, which follows the general lines . f the Corties airships. George Schmidt as constructed a six-ounce model of al Meriot monoplane, with some medition
